STATEMENT OF FACTS SUPPORTING PETITION  
UNDER 37 C.F.R. §1.47(a)  
STATEMENT OF GREGORY A. WALTERS

I, Gregory A. Walters, declare as follows:

I am a Principal in the law firm of FISH & RICHARDSON P.C. and an attorney/agent of record in the above matter.

The above-referenced patent application ("the application") was filed October 8, 2003, in the names of Fred Sanford, Robert Bather, Martin Culverhouse, Walter Sikora, Melanie Russell, Peter Martin, Robert Hasselbaum, and Russell Barr. The combined inventors' declaration and power of attorney document ("the declaration") filed with this petition was signed by Fred Sanford, Robert Bather, Martin Culverhouse, Melanie Russell, Peter Martin, Robert Hasselbaum, and Russell Barr. The declaration made by Fred Sanford, Robert Bather, Martin Culverhouse, Melanie Russell, Peter Martin, Robert Hasselbaum, and Russell Barr is made on their own behalf and on behalf of Walter Sikora in accordance with 37 C.F.R. §1.47(a).

All attempts to have Walter Sikora sign the declaration have failed, constituting a refusal by this inventor to sign under 37 C.F.R. §1.47(a). This statement details the diligent efforts made to contact Walter Sikora and to obtain an executed declaration document. Supporting documentation mentioned in this statement is attached as Exhibits.

The first two attempts to contact Mr. Sikora were via email messages dated April 13, 2004, and April 30, 2004 sent to Mr. Sikora by Michelle Banks, an administrative assistant employed by Invensys Systems, Inc. of Foxboro, MA; the owner of the rights to the invention. Mr. Sikora did not respond to these email messages. No delivery errors for failure to deliver these messages were received by Ms. Banks, indicating that they were received by Mr. Sikora but not answered.

Attorney's Docket No.: 12780-023001 / 02,003.

The second attempted contact was a series of phone calls placed by me to Mr. Sikora on May 10 and 11, 2004. Mr. Sikora was not personally reachable and messages left by voice mail were not returned.

On May 11, 2004, a letter with a copy of the patent application and declaration was sent to Mr. Sikora via FedEx. (See Exhibit A). The documents were received at Mr. Sikora's last known address the following day and were signed for by P. Sikora. (See Exhibit B). The letter sets a specific deadline of May 18, 2004 for returning the documents in a pre-addressed, prepaid FedEx envelope. The letter states that if the document is not signed and returned by the deadline we would deem it a refusal by Mr. Sikora to execute the declaration, and that this could possibly affect his legal rights. This letter placed Mr. Sikora on notice that inaction would be deemed a refusal to execute the declaration. We have waited well beyond the deadline set forth in this letter and have not received any written correspondence or other communication from Mr. Sikora. As such, by refusing to respond within a reasonable time period, Mr. Sikora has accepted our interpretation of his inaction as a refusal to execute the declaration.

In summary, we have diligently attempted to obtain Mr. Sikora's signature on the declaration for the above-referenced patent application and his actions in not signing constitute a refusal to sign under 37 C.F.R. §1.47(a). Due to this refusal we are filing this statement of facts in support of the Petition under 37 C.F.R. §1.47(a). We respectfully request that our petition be granted.

Respectfully submitted,
